FREESTYLE TERRAIN
STOP! READ THIS!
FREESTYLE SKILLS REQUIRED
HELMETS ARE RECOMMENDED

Freestyle Terrain may contain jumps, lifts, drops, banks, ice breaks, dips, rails, half pipes, quarter pipes, vert-rails, bump terrain and other unmarked or natural terrain features.

PRIOR to using Freestyle Terrain, you are responsible for familiarizing yourself with Freestyle Terrain and obeying all instructions, warnings and signs.

Freestyle skills require maintaining control on the ground, and in the air.

SMART STYLE
LOOK BEFORE YOU LEAP.
 You are responsible for spotting Freestyle Terrain features before and throughout the drop. The features vary in size and change constantly due to snow conditions, weather, changing grooming and time of day. Do not jump blindly. Use a qualified coach if necessary.

EASY STYLE IT!
 Always take on all air control and within your ability level! Do not attempt Freestyle Terrain unless you have sufficient ability and experience to do so safely. You control the degree of difficulty you will encounter in using Freestyle Terrain, both on the ground and in the air.

RESPECT GETS RESPECT
 Respect Freestyle Terrain and others. Only ski downhill on the terrain. Obey all signs.
